## THE R.O.H. ELECT

Bro. D. G. APPS

Sir David joined the Order in January, 1962, as a member of Lodge Ocean View, No. 363, and since that time has held every office in his mother Lodge, many times over.

His schooling of new Brothers and his untiring work for charity is well known.

His devotion to the Buffalo Order, and particularly his Mother Lodge, is an example to any new member and we of Lodge Ocean View, No. 363, are justly proud to call him Brother.

We salute the Right Honourable Sir David Apps.
